MAFIOSO ON THE MEND

Badly shaken and dizzy, Manny Liotta took one look at the rickety fire escape and damn near fainted. Despite his waning strength, he managed to shake his head and utter a weak protest. “No way, Vinnie. No fucking way . . .”

“Come on, Manny,” Vinnie Giovanni urged the leaking Mafia gunman. “Up you go. I won’t let you fall . . .”

Manny was so much deadweight, but he managed to stay on his feet. Huffing and puffing from exertion, Vinnie half-carried, half-dragged his injured partner up six flights of ice-encrusted steel. Savage winds from the nearby river ripped at their trench coats as they made the treacherous climb.

Reaching Dr. Baumann’s apartment through the building’s front door was out of the question. The risk of being spotted by a nosy tenant was too great. Last thing they needed was for some do-gooder citizen to call the cops; their night had been bad enough already.

“We made it,” Vinnie managed, his breath pluming in the frigid air. Manny looked bad; his face was ashen, his breathing alarmingly shallow. Vinnie rapped loudly on the window. Through a thin curtain he peered at the counters of a tiny kitchenette, waiting with bated breath for their savior to appear.

It seemed like a long wait. In actuality it was less than a minute before the doctor, armed with a .38 snub nose, pulled the curtain aside and regarded the two men.

“Help us, Doc,” Vinnie pleaded. “Manny’s been shot.”

Dr. Baumann’s expression was that of a woman who had seen it all before, countless times. The disgraced physician, having lost her medical license for selling pain killers on the black market, was accustomed to such intrusions.

Bracing herself for the forthcoming win-

hotel tryst

Nikki and I met that day at a hotel restaurant, just in case one of us got cold feet. But as soon as we got there we knew that we were going to do it, so we skipped the meal and headed straight for the hotel room. After checking in as Mr. and Mrs. we went to the room and we started to kiss, Nikki with her hand down my pants, and me down hers. She was so wet that I slipped in one finger, then two with ease.

A few more minutes of groping and we started to undress each other as we were both naked. I pulled

try blast, she tightened a robe around her curvy frame and slid the window open. The frosty gale made her grimace as she received the two hoods. No sooner had they climbed over the sill than she headed for her spare bedroom.

“Bring him back here,” she ordered Vinnie, “and close that damned window . . .”

Seated in a straight back wooden chair beside the twin bed, Vinnie smiled at his slumbering partner. “That’s good news, Doc. That’s real good news.”

Dr. Helga Baumann said, “His extreme reaction had more to do with the nasty weather than the severity of his shoulder wound.”

“The bullet just nicked him, eh?”

“That’s right. Manny’s a lucky man. He’ll be just fine.”

The Mafia sawbones was a blue-eyed blonde of hearty German stock. At eighteen she had come to America for her medical education. After seven years—four in school, three as a resident—she had stayed in the city to work as a general surgeon for six years before losing her license.

Now she made a decent living tending to those who couldn’t risk being treated at the emergency room. Business wasn’t half bad. There was never a lack of patients; the city was a crime-ridden cesspool.

“When can I take him out of here?” Vinnie asked. “We don’t want to overstay our welcome.”

“Let him sleep,” Dr. Baumann told him. “He needs his rest.”

“Sure, sure,” Vinnie nodded. “Oh, yeah. I almost forgot.” The mobster reached inside his trench coat and produced a fat roll of bills. “How much?”

“The whole roll should cover it.” She eyed the hoodlum shrewdly. “For starters . . .”

Vinnie was about to protest; then Dr. Baumann untied her robe. She wasn’t wearing a stitch of clothes underneath. The Mafioso grinned like a shark.

His bad night had just gotten a whole lot better.

It was bitterly cold outside, but Dr. Baumann's bedroom was nice and warm. As for her pussy—well, it was a blazing inferno . . .

Vinnie plowed her from behind, thrusting his cock with a frenzied stabbing motion. Her voluptuous ass was sturdy and quite capable of withstanding his doggy assault. Bedsprings creaked. The wooden headboard banged against the wall. Spurred by the racket, Vinnie, his face twisted with bestial lust, pounded her relentlessly.

He had never banged a German before, let alone a doctor. He intended to enjoy the experience to the full.

"Flip over, Doc," he said, withdrawing his cock, "and lift those legs of yours."

Baumann did just that. Vinnie hopped to the floor and pulled her to the edge of the bed, positioning her hips for a good and proper banging. Standing beside the bed, he grabbed her ankles and draped her legs over his shoulders. Then he guided his thick member into her cooze.

"How does that feel? You like Vinnie's big Italian salami?"

"Halt einfach den Mund und fick mich!"

Vinnie was hardly proficient in German. Hell, his formal education had ended in the ninth grade. Still, her accent coupled with the exoticness of a native tongue served to turn him on in a big way. His cock was harder than a lead pipe.

Her blonde hair splayed across the comforter, Dr. Baumann's big tits shook and shimmered as Vinnie fucked her. He had forgotten all about the unfortunate incident earlier that night. The bartender had gotten a little too big for his britches, refusing to pay his monthly protection money. The cocky bastard had pulled a piece. Two shots. The one from the bartender's gun had hit Manny in the shoulder. The one from Vinnie's gun had hit the bartender right between his beady little eyes.

". . . aaahhhh!. . .oohhhh!. . . fick mich!!!!!"

Vinnie increased the pace and forth of his thrusts. His gaze alternated between his

her over, then she pushed me down on the bed and started to suck my cock. She took more in her mouth than my wife. Then she wanted me to eat her shaved pussy, which I did for ten wet minutes as I was eating her. Then she pulled my head up and rolled me over and climbed on me and began sucking me again.

She put her shaved pussy on my face and I continued to eat her out as she sucked my cock. I put both hands under her hips and lifted them a little and slid my mouth from her pussy and started to rim her. Nikki loved that so much, she decided that she tried to pay me back by trying to take my entire cock down her deep throat. We finished sixty-nining and she climbed on top of

dick moving between Dr. Baumann's pussy lips and the warbling of her wondrous tits. He couldn't wait to explode all over those beautiful mounds.

And that's just what he was about to do.

Until Manny, wiping sleep from his eyes, appeared in the doorway and said, "Wow! Now that's what I call a good bedside manner!"

The sudden intrusion took Vinnie by surprise, shattering his concentration; he felt like the proverbial deer in headlights.

"Manny," he addressed his partner, "get back in bed. You're in no condition—"

"Screw that noise. I feel a lot better." Manny crossed the threshold; his hungry gaze devoured the scene. "As you were, Vinnie. Don't let me stop you."

Vinnie thought about it for a few seconds. Then he regarded Dr. Baumann. "Mind if he watches?"

"Not at all," she replied.

Granted the green light, Vinnie charged ahead with renewed vigor. The brief pause in the action had failed to diminish his desire; if anything he felt even more lustful as he hammered the doctor.

Having liberated his cock, Manny stood there and stroked himself. Vinnie was really giving it to that German gash! And those tits of hers, Manny thought excitedly. She had a set of knockers to die for! Shucking his prick, he forgot all about his bandaged shoulder. Thankfully the bullet had hit him on the left side, and he had always jerked off with his right hand.

"That's it, Vinnie! Give it to her!"

Vinnie thrust his hips, plunging every inch of his Mafioso manhood. Dr. Baumann had raised both hands to her well-endowed chest; now she squeezed and kneaded her tits, massaging the pliant peaks with nimble fingers. This turned her on something fierce, making her even wetter and hotter for the two hoods.

"Come over here," she said. "That cock of yours should be in my mouth . . ."

Then she looked at Vinnie. "As for you—well, I think it's time to start fucking my other

hole . . .”

Manny joined Dr. Baumann on the bed. He lay on his right side, positioning his waist beside her head. His engorged glans was inches from her mouth. She opened wide to receive him. Manny fed her his man meat.

Diverting his gaze from the cock-gobbling spectacle, Vinnie concentrated on the task at hand. Having withdrawn from Dr. Baumann’s pussy, he lowered his rigid rod to her asshole. Nudging the tender starfish with his prick cap, he eased inside her, pushing ever so gently. Her back-door yielded to his sizable schlong. Hers was the tightest pooper Vinnie had ever sampled. He banged her butt slowly, sensibly, delaying his orgasm.

Sirens pierced the night. Prowl cars, Manny reasoned as he fucked Dr. Baumann’s face. Cops en route to the bar? The joint had been closed during their altercation with the bartender. Still, somebody could have heard the shots. They could’ve called the police. Or maybe the sirens were related to a separate incident. Not that it mattered. Either way the bartender was dead.

Serves him right, Manny thought, for shooting me. Of course he was lucky. The bullet could have hit him in the head or chest. The bullet could have killed him.

Crazy thing about it was—well, getting shot had actually turned out to be a good thing. The injury had led him to Dr. Baumann, and one of the most mindboggling sexual experiences of his life. A minor bullet wound was a small price to pay for shoving

me taking my cock and guiding it into her love hole. At first it wouldn’t go in so we went slower. I think she was just wanting to put it right on the opening to tease me. She started to kiss me again. I think she liked the taste of her pussy on me because my face was wet with her juices and she licked it all up.

After she finished teasing me, she started to slowly fuck my cock. I laid there and watched her bob up and down on it as her boobs bounced and her hair swirled around her head. Then she stopped and got off me and laid on her back and spread her legs. She rubbed her clit for a moment and told me to start fucking her again. Ever the gentleman, I obliged.

his dick down her throat.

Vinnie’s thoughts were far less philosophical. The immense tightness of Dr. Baumann’s asshole had effectively short circuited his brain, rendering the mobster a mindless fuck machine.

And fuck, he did.

With everything he had . . .

Dr. Baumann delighted in the threesome. This wasn’t the first time that she had gotten it on with Mafia types. They appeared at her kitchen window on a regular basis seeking emergency treatment for all manner of wounds. Theirs was a violent life, she knew. And most lucrative. That’s why she always demanded top dollar for her services. Sex was a bonus. If she liked their looks, sure. If not, there was always the next patient.

“Aaaahhhhh.” Vinnie grimaced. He was almost there.

Manny was, too. He withdrew from the doctor’s mouth, intent on jerking off on her tits. She had another idea.

Dr. Baumann slid off the bed and knelt on the floor. Manny and Vinnie stood side by side, looming over her as she raised her hands—one for each dick—and proceeded to stroke them off. It didn’t take long. They popped off, one right after the other, in her face, coating her Germanic features with countless ropes of thick Italian-American cum.

“Shit, Manny,” Vinnie said, “it’s a blizzard out there!”

They stood at the kitchen window, fully dressed and ready to depart. But Mother Nature had other ideas. While they were having fun in the bedroom she had decided to unleash her wintry fury.

Manny wore a scowl. “It’s going to be a long walk back to your car at the docks. We’ll freeze to death.”

Dr. Baumann, wrapped snugly in her robe, started a pot of coffee. “You’re more than welcome to stay here until it eases up.”

“That’s the best idea I’ve heard in a long time,” Vinnie said.

The blizzard lasted all night. Nobody slept a wink.

BLAIR-NTS-09

ORD to JFK

Theater is such a great way to meet new people

Last week I went home to find a letter from my New York theatrical agent saying that they were impressed with my audition tape. They wanted me in N.Y. in a week to audition for the director. I was so excited, I almost creamed my pants just reading the letter. Now that was a great birthday present for my 22nd birthday. I had auditioned in a local theater with some other actors but don't know if any of them got a call back.

I pack a couple suitcases in hope I will be there for at least a couple weeks. I'd hate to go home after only one day. Now I'm rushing to the airport but I have a fear of flying. I have to get on this flight or I'll lose the gig. I need the money and thought the part would be a great addition to my reel. Reluctantly I boarded the red eye flight to JFK. Fortunately the wait was short so I didn't have a chance to get too nervous, until I got on the plane.

I got a window seat towards the back of the plane but don't know if that was going to be a good thing or not. I put my weekender bag in the overhead compartment and fastened my seat belt. I tried to calm myself by watching the people get on and stash their bags in the overhead bins as I waited for the plane to take off. I thought I would have an empty seat next to me as most of the passengers had loaded, but an older well-dressed man stopped just before my row and put his bags away. He glanced over at me and holding out his stub, said "48D, that's me." and sat down in the empty seat.

"Hi my name is Nicholas," he said, as he extended his hand to me. "You look familiar." "Hello I'm Caroline," I replied, looking to him closely. "Weren't you at an audition in the Loop last week?" I asked. "Yes," he replied. "For the new Broadway play," he said. "Now I remember you. You were in the morning group and I was

in the afternoon group." He went on. After some more small talk about the audition, I heard the engines rev up for take-off and I told him about my fear of flying. He smiled warmly, and

next to the window, I started to get a chill and Nicholas retrieved a blanket from the compartment above us. He draped it over both of us, from the waist down. He had his arm on the

assured me I had nothing to worry about.

As the flight took off, I leaned back, closed my eyes and clenched my teeth until we finally leveled off. That's when I realized I was squeezing Nicholas' hand very tightly. As an older man, he was so comforting at a time like this and as the minutes passed, I felt like I had known him a long time. There was something special about Nicholas. I felt I could talk to him about anything. We practiced some of the script's lines and made each other laugh.

In the middle of it all, I asked him if he had heard of 'The Mile High Club.' He said he had. I asked if he was a member, but he slyly avoided the answer. Like a gentleman, he did not ask if I had joined it. Sitting

armrest between our seats and I put mine on top of his. I slid my hand down to his wrist and began to lightly rub the back of his hand. I thought he might have been able to read my mind just by looking at me.

I leaned over and rested my head on his shoulder as the pilot announced we had leveled off. The cabin light went out and the crew and plane settled in for the long flight to JFK. My thoughts drifted off and I started to get myself aroused. He put his hand over mine and gently stroked his fingers on the back of my wrist.

I looked up at him and he leaned over and kissed me softly. It was warm and non-threatening. I responded by touching his thigh under the blanket and sliding it up to his crotch. He seemed a little surprised but then slid

his right hand up under my top and found my already hard nipples. He gave me another warm kiss on my lips and slipped his tongue into my mouth. Then he whispered in my ear but I could not make out what he said. I was lost in the moment and him.

From under the blanket he took my hand and placed it right on his cock. I didn't even notice that he had unzipped under the blanket. I found and squeezed his cock firmly in my hand and gently began to stroke and fondle it's head with my fingertips. His fingers moved from my breasts and pulled back my skirt. I was so hot for this handsome stranger. I wanted to suck and fuck him right then and there.

His fingers slid my panties to the side and ran his fingers through my trimmed bush and over my pussy lips. I moved closer to him in my seat to take in his sexy cologne as he opened my labia and slid a finger inside. I pushed my hand past his cock shaft, found his balls and massaged them. I slid a little more forward in the seat, pulled my panties further open with my other hand as he slid his fingers in deeper and his knuckles brushed against my clit.

He whispered that maybe we were getting too demonstrative and wanted to fuck me. I was little surprised that he wanted to go further than we had gone, but when he pulled his fingers out of my pussy, he left me wanting more. I watched his hand come out from under the blanket and go right under his nose for a smell. He licked it lightly with his tongue and I almost came right there in my seat. I heard him zip up and before standing he leaned over and asked me to come into the rest room behind our seats in three minutes.

Strangely, I found myself giggling and began counting the seconds down. I laughed at myself, stopped counting, adjusted my clothes, and got up and walked the few steps to the back of the plane. Fortunately only one rest room door said 'Occupied' as I quietly knocked and the door opened. He quickly pulled me inside and locked the door behind me.

I immediately kissed him with a lust I had never felt. Our tongues did heated battle in the stall as we groped each other's privates through our clothes. He sat back on the toilet seat and told me to come closer and put one leg on the sink edge. I did and he ripped my soaked panties off me. He pulled my hips and closed in on my pussy. His hands rubbed my mound as his tongue found my now slippery slit.

I braced myself with both arms on the walls as the plane began to bounce around, but that only added to our fervor. I felt him licking the wet juices from my pussy as he slid up and down my slit with his tongue. Nicholas made little slurping noises as he dipped his tongue deep inside of me. I pulled his head back and got him to stand. We switched places.

With Nicholas standing in front of me, I pulled his pants and boxers down to his ankles and instantly slipped my lips down over the head of his cock. I slurped down the pre-cum, sucked his cock and fondled his balls with one hand. I sucked feverishly because I knew our time was short and I wanted to taste his cum, but sucking his cock made me even hotter for it. He thrust it deep into my throat and I tried took it all without gagging.

I stood up and turned to face the wall behind the toilet and propped my arms on it. I bent just a little pushing my butt back to him. He moved in and guided his cockhead to my shiny wet hole and I felt his cock enter me. His hot dick found my pussy and slipped with ease since I was so wet down there. I closed my eyes and suppressed a muffled scream as I felt him push deeper into me. I moved back and forth on his cock

in harmony with his thrusts and the airplane's hum.

His balls slapped against my ass with each thrust. I suppressed another scream as I came and a moment later Nicholas let out a grunt as he pulled out and let his juices spew into the sink. We cleaned ourselves off and pulled our clothes back on just as the announcement came that we had begun our descent into JFK.

We each did our audition and we each got the parts we were up for. I stayed a few weeks in N.Y. rehearsing mine. His went on for a couple more, but in between we saw each other. When he returned to Chicago, I picked him up at the airport and drove to my apartment. On the 44th floor, I auditioned again, but this time in the nude!
